

Do you have room in your heart to give a child a forever home?

Did you know that over 600 children in Massachusetts are waiting for a permanent adoptive family? That's the equivalent of ten yellow school buses filled with children all hoping for a forever home! It's difficult for most of us to understand what these particularly vulnerable kids go through every day. Imagine you're a foster child in a school where all your classmates have a family, but you don't. And what you want most isn't a toy or a gift; it's a family of your own.

If you have room in your heart to give a child love and a forever home, please contact Sue Urysz at suryasz@childrensfriend.org or call 508-753-5425. We are with you every step of the way, and provide services beginning with the inquiry process through placement.
